

The Old Opera House Arts Centre 2017 Summer Dance Registration

Welcome to another exciting summer of dance! School is out, but dance is still going strong in our studios. This year we are offering a more camp-like experience than years in the past.

We are excited to be moving to this format, as we love to see our dancers have well rounded dance experiences, as well as learn from the many facets and expertise of our talented instructors. The summer is a great opportunity to try out a discipline your dancer has never tried before and it gives them a way to try new classes in a low pressure, fun and educational environment.

Each week classes are offered in July; our dancers have the option of taking one or two 90-minute tracks that include a combination of dance disciplines.

Classes will be offered in leveled weeks. To explain this more thoroughly, we have broken each week into separate information pages. Please look at the below information before completing your registration form.

Registration begins June 9, 2017.

Please complete pages 6 and 7 and return *with your payment* by July 1st. Classes are filled on a first come, first serve basis.

Listed Chronologically

Levels V+ and Advanced	page 2

Just a few reminders:

- Please enroll for the level that is recommended by our instructors in your summer/fall placement guide (to be emailed the week of June 12th, 2017). Any changes in summer level placements must be approved by instructors.
- We will not be offering *preschool or beginning ballet* levels during the summer, however, they will be offered again in the fall. Level I students are those who have already completed a year of kindergarten and are moving into first grade or above. Keep practicing, we'll see you in the fall.
- *If you are new to our studio, please contact the office to determine level placement.*
- *Broadway level is based off your Tap and Hip Hop placement.
