

The Old Opera House Arts Centre 2018 Summer Camp Registration

Welcome to another exciting summer of arts! School is out, but theatre and dance are still going strong in our studios. This year we are offering a more camp-like experience than in the past, and hope to see students expanding their horizons by trying classes they may not have explored or cannot take during the regular dance season!

Registration deadlines are noted for each camp. Payment must be made by the registration date for each class. We reserve the right to cancel camps due to insufficient enrollment.

*Students will be in camps according to their age as of June 1, 2018. For ballet dancers, please enroll in the level that is recommended by our instructors at the end of the semester. Any changes in summer level placements must be approved by instructors. If you are new to our Studio, please contact the office to determine placement.
